

for the perfect look

mt blackLine news

Now in stock: blackened wire ropes and accessories, bolts, washers, nuts and more

Our **mt blackLine** range is now complete - with blackened wire rope in AISI316 quality and perfectly coordinated accessories such as thimbles, wire rope clips and much more. Also available in black: screws, nuts and more. For a consistently stylish appearance down to the smallest detail.

What makes them special? The **mt blackLine** products are a unique combination of function and style! The blackened stainless steel blends seamlessly into all environments and styles - whether on board, in the leisure sector or in architecture. The **mt blackLine** is therefore extremely versatile and can be used in the usual high quality.
